RECLAIMING THE PROFESSIONS FOR LIFE AND FAMILY

# Understanding and Combatting the Global Sexual Revolution

*Jennifer Roback Morse, Ph.D.*

Founder and President

The Ruth Institute

Ambassadors Training Conference  
Summit for Survivors of the Sexual Revolution

Lake Charles, LA

July 16, 2021

# Preliminaries

- Go around and introduce each other.
- Strategic history of the Ruth Institute.
  - Deeply invested in Proposition 8 in California.
  - Won at the ballot box, lost in the courts.
  - How do we enlist more troops?
  - Victims and Survivors of the Sexual Revolution.
- Purpose of this program:
  - Equip already-committed activists
  - Have a program we can take “on the road,” to Africa, in particular.

# Understanding the Global Sexual Revolution

- What is the Sexual Revolution?
- How The Sexual State operates
  - Propaganda
  - Hiding and silencing the victims
  - Why proving the Sexual Revolutionaries wrong is not enough.
- The Sexual Revolution as a totalitarian ideology.

# The Ruth Institute:

- **The Ruth Institute** is an international interfaith coalition to defend the family and build a **Civilization of Love.**

The Ruth Institute has a dream:

*that every child be welcomed into a loving home with  
their own mother and father married to each other.*

## The Ruth Institute's dream:

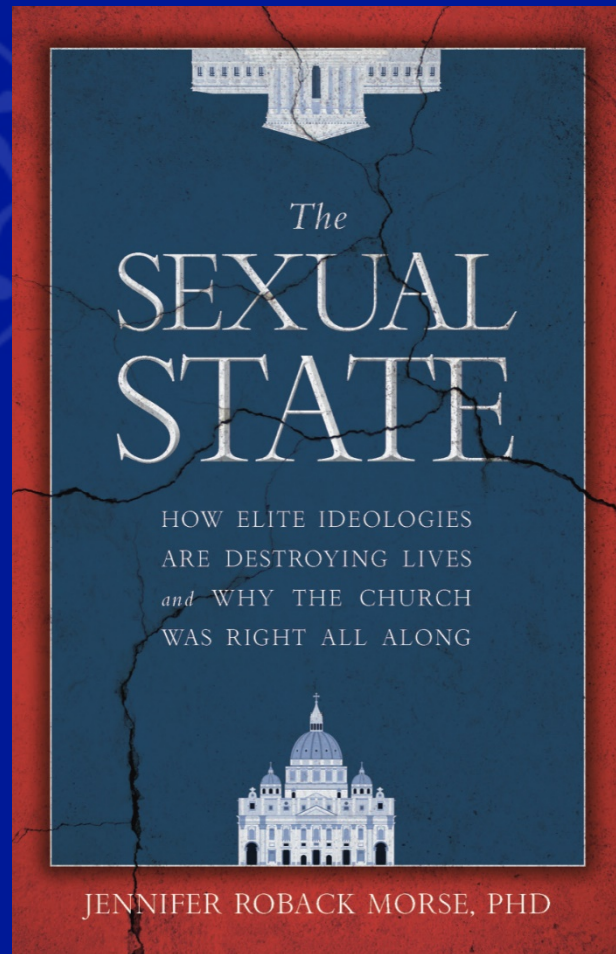

*So that:*

Every child can have a ***relationship*** with his or her own parents, unless some *unavoidable tragedy* takes place to prevent it.

Every adult, *without exception*, can know his or her cultural heritage and genetic identity.

- When these rights are violated, we call this a ***structural injustice to the child.***
-

# Structure vs. Day-to-day details.

- New craziness from the Sexual Revolutionaries every day. Can't possibly keep up!
- Providing the structure helps you make sense of each new outrage.

A good and decent society should:

1. Separate sex from babies.

***The Contraceptive Ideology.***

2. Separate both sex and babies from marriage.

***The Divorce Ideology.***

3. Wipe out all differences between men and women, *(except those explicitly chosen by individuals.)*

***The Gender Ideology.***

## Developed this typology during Marriage Debates.

I realized that people had already redefined marriage in their minds:

1. Separate sex from babies.
  - *(The sexual act is unimportant: completely privatized.)*
2. Separate both sex and babies from marriage.
  - *(Attaching kids to their parents is unimportant. Biological parenthood is unimportant.)*
3. Wipe out all differences between men and women.
  - *(The sex of the body is unimportant.)*

The public couldn't figure out why we  
were “holding out” on affirming same  
sex “marriage!”

**We must be “*haters.*”**

## What is the “end game” of these ideologies?

1. The Contraceptive Ideology.
  - ❑ *Population control*
2. The Divorce Ideology.
  - ❑ *Contract parenthood.*
3. The Gender Ideology.
  - ❑ *Eliminate male and female from law and society.*

Individual 45-minute talks on these 3 topics.

**Contraceptive Ideology:

**Theodore McCarrick**

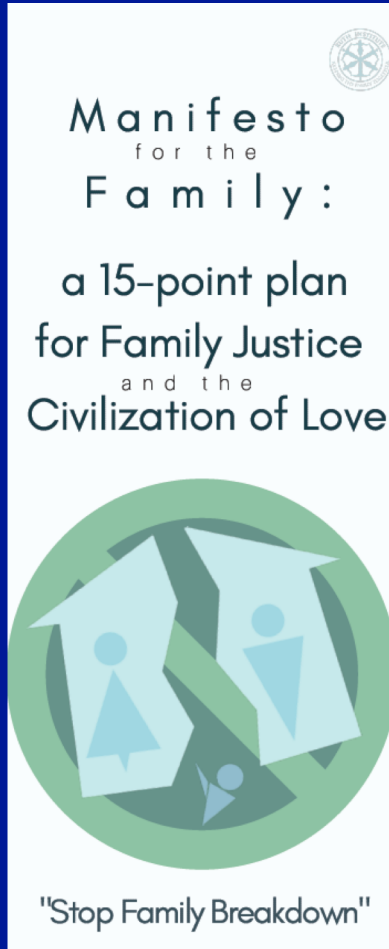

# Abortion is the back-up plan for contraceptive failure.

- The advocates know it:
- “Unethical to provide contraceptives in national family planning programs without ensuring abortion is available when contraceptives fail.”
- Pg. 159.

# Manifesto for the Family

Manifesto  
for the  
Family:

for Family Justice  
and the  
Civilization of Love

"Stop Family Breakdown"

# STOP

THE GOVERNMENT  
MUST STOP DOING  
THESE THINGS:

(Which it never had any business  
doing in the first place.)

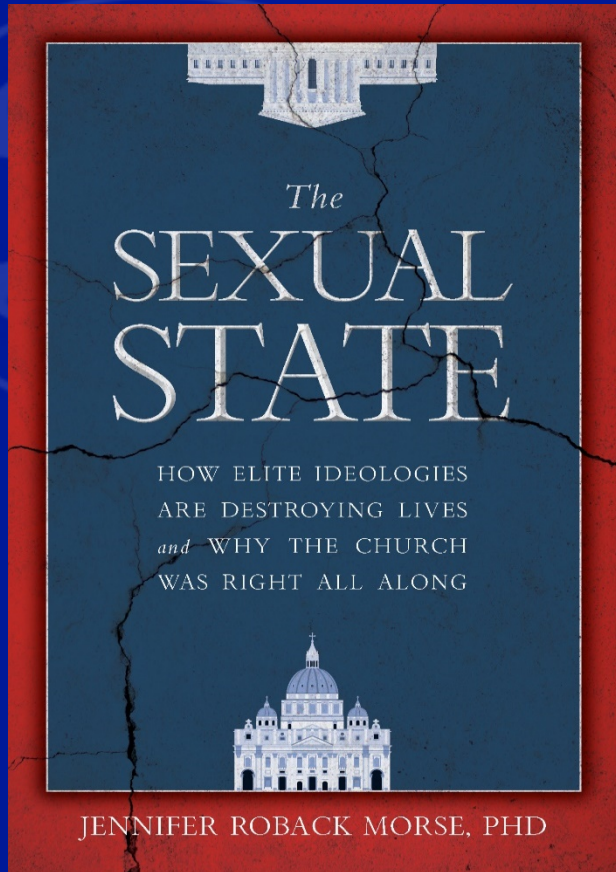

**5. Cease governmental promotion and subsidization of contraception.**

Contraception is legal. It does not need to be free. The government has no business promoting it, or otherwise influencing people's reproductive decisions.

**6. Abolish abortion.**

Legalized killing cannot be a genuine or humane solution to any health or social problems.

# Who is financing the Contraceptive ideology?

Page 177

- *Women's Whole Health v Hellerstadt*
- 2016 TX case
- Research to overturn TX law, financed by:
  - Hewlett Foundation
  - Susan Buffett Foundation
  - Packard Foundation etc.
- *June Medical Services v Russo*, the Louisiana law, had the same result.

The Divorce Ideology:  
Kids Don't really need their own  
parents.

# What is owed to the child?

- **Identity:**

- “Every person has the right to know his or her cultural heritage and genetic identity.”

- **Relationship:**

- “Every child has a right to a relationship with their natural mother and father except for an unavoidable tragedy.”

# How can we secure these rights to the child?

- Make a plan for parents to cooperate with each other for a lifetime.
- → best chance for kids to be in relationship with both parents.

# To put it in negative terms:

- No sex before or outside of marriage.
- No divorce without cause.
- No petty criticism of your spouse.
- No Third-Party Reproduction.

Or to put it in positive terms:

# Lifelong cooperation plan

- Get married before having sex.
- Only have sex with your spouse.
- Stay married unless someone does something really awful.
- Be nice to your spouse.
- In other words →

# Traditional Christian Sexual Morality!

Children's Rights →

Start from the child's perspective

+

Logical Reasoning

=

Traditional Christian sexual ethics.

**In other words, The Church has  
been right all along!**

# Who benefits from the Divorce ideology?

- The Family Law Bar consistently opposes all attempts at meaningful divorce reform. \$\$\$
- The family courts have enormous intrusive power into family life. **Power.** (Do not underestimate the pleasure from petty exercises of power.)
- People who enjoy indulging themselves.

# Manifesto for the Family

  
**Manifesto**  
 for the  
**Family:**  
 a 15-point plan  
 for Family Justice  
 and the  
 Civilization of Love

"Stop Family Breakdown"

**STOP**  
 THE GOVERNMENT  
 MUST STOP DOING  
 THESE THINGS:  
 (Which it never had any business doing in the  
 first place.)

### 3. Reform divorce laws.

Allow the State to consider adultery and other marital faults in divorce, custody, and property settlement. Separating children from a biological parent without compelling reason is unjust. "Because I don't want to have a relationship with my child's other parent," is NOT a compelling reason to deprive children of their birthright.

### 9. Abolish the Third-Party Reproduction Industry.

Children are not commodities. Infertility is not fatal. The government should not be creating legally binding contracts that separate children from their parents. End this slippery slope once and for all.

### 10. Make legal provision for the adoption of all frozen embryos.

And make provision that no new tiny human beings are frozen ever again.

# What is the Gender Ideology?

Men and women are identical.

***Except women are better.***

***Therefore:***

***Wiping out all differences between men and women is a moral imperative.***

# New gender ideology:

- Wipe out all differences between men and women,
  - Except:
    - *Those the individual specifically chooses to embrace.*

*Obergefell v Hodges*, 2015:  
redefined marriage

Why did the Revolution “pivot” from advocating for the “Ls”  
and the “Gs” to  
Advocating for the “Ts” after this court case?

# Contradictory Visions: Women in Sports

- Title IX became the Obama Era basis for transgender athletics.

Fallon Fox, male-bodied “  
woman” boxer

# Who benefits from and finances the Gender Ideology?

- Large foundations, some funded by self-described gay men.
- Pharmaceutical companies.
- Men who say they are women. *Some feminists are rethinking their commitments.*

THE SEXES

## Who Are the Rich, White Men Institutionalizing Transgender Ideology?

*Exceedingly rich, white men (and women) who invest in biomedical companies are funding myriad transgender organizations whose agenda will make them gobs of money.*

# The LGBT Coalition is unstable.

- The “L’s” and the “T’s” are at war.
- Sheila Jeffrey’s, radical lesbian feminist: opponent of “T.”
- Derogatory term: “TERF” = Trans Erasing Radical Feminist
- The Revolutionaries are throwing the lesbians and feminists under the bus.

# How do these versions of the Gender Ideology fit together?

- The human body is unimportant, and can be transcended
- Through social reconstruction (some forms of feminism)

Or

- Through individual reconstruction, with the help of the law and technology. (transgenderism)

So, why did the Revolution “pivot”  
to transgenderism after redefining  
marriage?

*Because it was never really about marriage. It  
was about The Revolution.*

*Transgenderism furthers the goal of destabilizing  
the sex of the body.*

# For the True Revolutionary:

- The “issue” is never the issue.
- The issue is ALWAYS the revolution.
- And the purpose of the Revolution is POWER.

## Just one problem with The Sexual Revolution:

- 1. Separate sex from babies.
  - ***Sex does make babies!***
  - 2. Separate both sex and babies from marriage.
  - ***Kids do need their parents!***
  - 3. Wipe out all differences between men and women, *(except those explicitly chosen by individuals.)*
  - ***The body actually is significant!***
-

# The Sexual Revolution:

Is irrational and impossible.

It cannot stand on its own. It requires:

force

propaganda

A totalitarian ideology that no Christian should have anything to do with.

I've developed a theory about totalitarian ideologies, based on my research.

- The key: a desire to create heaven on earth, by remaking human nature.
- The “heaven on earth” part, makes it appealing.
- The “remaking human nature” part, makes it totalitarian.

# The Family blocks unlimited power

- The family can regenerate itself naturally.
- The family doesn't need the State.
- The family creates alternative systems of loyalty.
- The family provides economic, social and spiritual support and hence, independence.
- Fathers are natural authority figures who compete with the State.

# How The Sexual State Operates.

- Propaganda
- Concealing and silencing the Victims
- Proving them wrong isn't enough

# Pervasive Propaganda for the Sexual Revolution

## CENSORSHIP AND PROPAGANDA

Big Tech's origin and lifeblood is the free flow of information, and yet they're the ones leading the charge to censor.

At the same time the media pushes insidiously disguised propaganda. How can you identify propaganda and fight back against Big Tech censorship?

Welcome to the Ruth Institute Propaganda and Censorship Resource Center, where you can learn to spot and fight propaganda and censorship.

Silencing the Victims:  
Bans on “Conversion Therapy”  
“Once gay, always gay.”

# “Conversion Therapy” Bans

These people are not allowed to exist.

So let's call attention to the  
Victims and Survivors  
of the Sexual Revolution.

# Victims and Survivors of the Sexual Revolution.

- Heart-broken career women
- Post-abortive women
- Children of Divorce
- Reluctantly Divorced
- Refugees from the Hook-up Culture and the Gay Lifestyle
  
- **Not originally included:  
Sexual Abuse victims.**

# Why Proving the Sexual Revolutionaries wrong isn't enough

- Since their goal is power, being factually incorrect is not a problem.
- Humiliating people by making them do self-contradictory things serves a purpose.
- They have promised the public a sexual Heaven on Earth. They just need enough power and propaganda, to make the dream come true.

# Totalitarian Fantasy Ideologies:

- “Soft power” intellectual systems to further the accumulation of hard power.
- disarm potential victims
- Empower and embolden the already powerful.
- The ultimate goal is to remake human nature itself.

# Totalitarian Fantasy Ideologies always target:

- The Family
- The Church

毛泽东同志是当代最伟大的马克思列宁主义者  
chinese-posters.net

# Christians should have a natural resistance to Fantasy Ideologies

- Jesus doesn't promise Heaven on Earth.
- We don't need a Savior Class.
- We accept limits on the legitimate exercise of power. No one gets to do whatever they can get away with.
- We are compelled to speak the Truth.
- We are not allowed to scapegoat anybody.

*This is why Christians are Public Enemy #1 today.*

# Christians: Enemies of the Human Race

- From the beginning, the Church has been telling the rich and powerful they don't get to do whatever they want.
- St. John Chrysostom scolds the Empress.
- (Who even remembers her name today?)
- (Aelia Eudoxia)
- We will endure.
