Let's talk.

Past “rounds” of Clergy Sex Abuse: 2002

- “Liberal” Catholics used it as a platform for trying to change Church teaching.
- Wanted to blame Pope John Paul II.
- Political winds have shifted under the Francis Pontificate.
- The Ruth Institute is committed to the doctrine.

Topics covered:

- 1) Pedophilia and sexual misconduct is currently pervasive among Global Elites
- 2) The deconstruction of the family was central to other political objectives, apart from the Sexual Revolution itself.
- 3) Early proponents of the Sexual Revolution advocated for children to have active sex lives.
- 4) The ideology of the early Sexual Revolutionaries required them to redefine childhood.

Before I say anything more, I want
to speak directly to the
victim/survivors

I realize that PTSD is real.

Post Traumatic Stress Disorder.

If you are watching and get upset, pause and
come back to it.

Moira Greyland Peat, one of our keynote
speakers, suffered from it.

A word to everyone else:

PTSD is real.

“Triggering” is real.

Trivializing sexual abuse is wrong.

Trivializing “triggering” is wrong.

Politicizing these issues is dead wrong.

The Global Ruling Class likes the
Sexual Revolution,

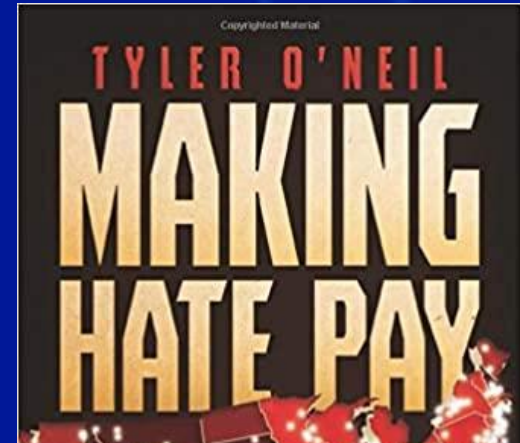

Including pedophilia and
sexual harassment.

The Global Ruling Class likes pedophilia:

Southern Poverty Law Center.

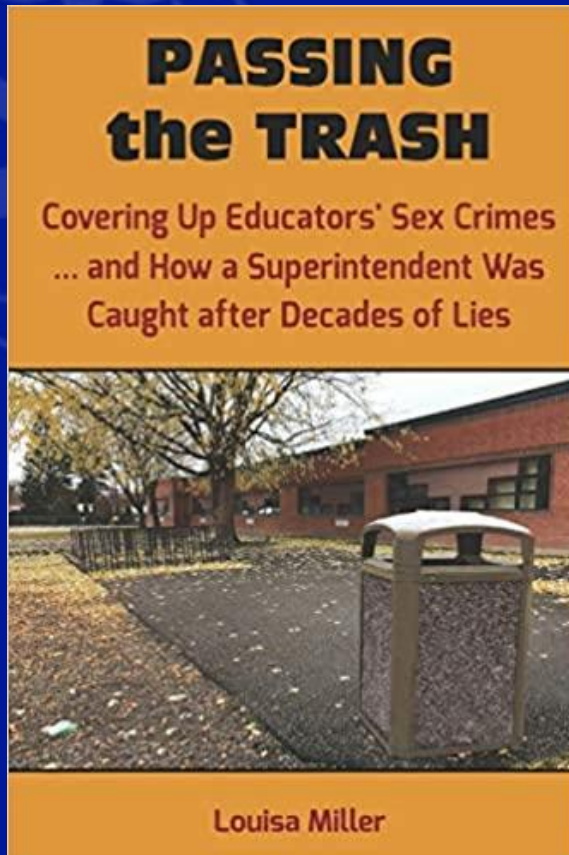

- Wealthy race-baiting organization.
- Founder, Morris Dees: climate of sexual harassment and abuse.
- Persisted, despite people knowing.

(I interviewed author Tyler O'Neil on The Dr. J Show.)

The Global Ruling Class likes pedophilia:

Public Schools

- “Covering up Educators’ Sex Crimes: and How a Superintendent was Caught after Decades of Lying.”
- Culture of ignoring the issue.
- Community “grooming.”

The Global Ruling Class likes pedophilia:

The United Nations

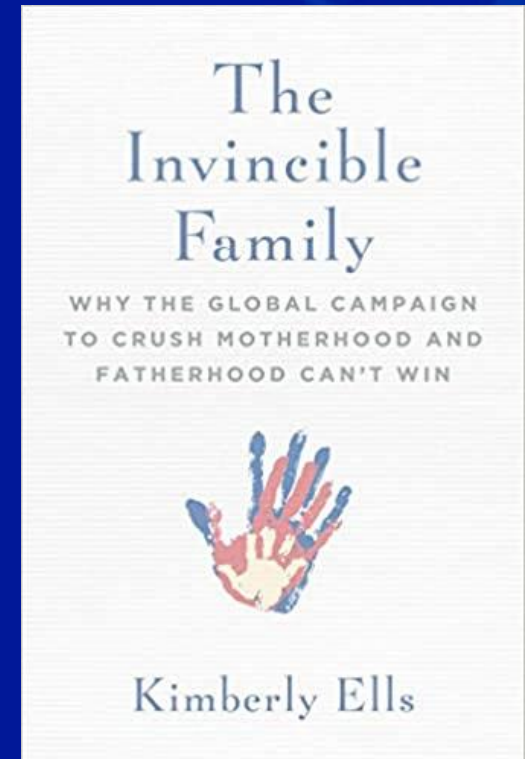

Sex scandals:

Peacekeeping troops:

“food for sex”

- Central African Republic
- Haiti
- Liberia

(pp. 163-169. I interviewed author Kimberly Ells. Podcast posted on July 17, 2020!)

The screenshot shows a BBC News article from February 16, 2018, by Vinnie O'Dowd. The headline is "Children's rights activist jailed for abuse". Below the headline is a photograph of Peter Newell. The article text at the bottom of the screenshot reads: "A children's rights activist has been jailed for six years and eight months for sexually abusing a boy in the 1960s."

The United Nations campaigns for “children’s rights”

The UN thinks
“Children’s Rights” =
*Having sex without their
parents’ knowledge.*

The Ruth Institute
thinks
“Children’s Rights” =
relationship and identity

The screenshot shows a BBC News article. The top navigation bar includes 'BBC', 'Sign in', and categories like 'News', 'Sport', 'Reel', 'Worklife', 'Travel', and 'Future'. Below this is a red 'NEWS' header with sub-categories: 'Home', 'Video', 'World', 'US & Canada', 'UK', 'Business', 'Tech', 'Science', 'Stories', and 'Entertainment'. The article is specifically about the UK, with sub-categories for 'England', 'N. Ireland', 'Scotland', 'Wales', and 'Politics'. An 'Ads by Google' section is visible with a 'Report this ad' button. The main headline is 'Children's rights activist Peter Newell jailed for abuse', written by Vinnie O'Dowd for BBC News, dated 16 February 2016. Below the headline is a portrait of Peter Newell, an older man with white hair, wearing a dark jacket and a patterned scarf. A 'METROPOLITAN POLICE' watermark is visible in the bottom right corner of the photo. At the bottom of the article, a caption reads: 'A children's rights activist has been jailed for six years and eight months for sexually abusing a boy in the 1960s.'

Sexual Abuse by Catholic Clergy

Other churches have similar problems.

Fellow Catholics:
Do you miss feeling like you are
part of something big and
beautiful?

*We're going to
deal with that feeling...*

Why bring up all these other groups?

- Not making excuses for sexual abuse within the Catholic Church.

Monogamous marriage = class warfare/oppression

“Within the family, the husband is the bourgeois, and the wife represents the proletariat. ... The first condition for the liberation of the wife is to bring the whole female sex back into public industry. This in turn demands that the characteristic of the monogamous family as the economic unit of society be abolished.”

Based on my interviews with Scott Yenor:

Based on my interview with Carl Trueman:

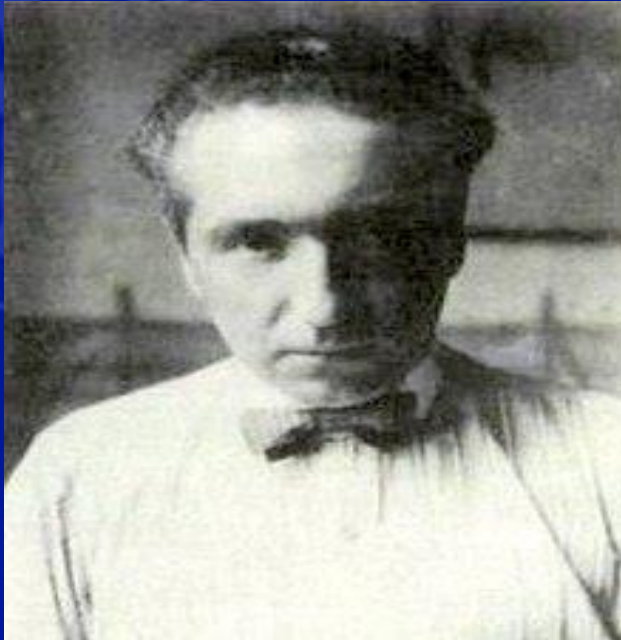

They both discuss prominent figures whose ideas led up to the Sexual Revolution:

- Wilhelm Reich
- Alfred Kinsey
- Shulamith Firestone

None of them:

- Was a pedophile
- Directly advocated pedophilia.
- Yet their theories paved the way for destruction.

Wilhelm Reich

- 1897-1957
- Author of “The Sexual Revolution.”
- Influenced by Freud.
- Developed the “orgone energy accumulator.”
- FDA considered it consumer fraud.

Alfred Kinsey

- 1894-1956
- Author of *The Kinsey Reports: Sexual Behavior in the Human Male*, 1948
- *Sexual Behavior in the Human Female*, 1953

- Author of *The Dialectic of Sex: The Case for Feminist Revolution*.

Shulamith Firestone, (from our interview with Kim Ells)

"The goal of Radical Feminism is not just to eliminate Male Privilege, but to eliminate the sex distinction itself -- so that sex no longer matters culturally"

Shulamith Firestone

"a central figure of radical feminism and second-wave feminism"
She participated in a funeral for womanhood known as "The Burial of Traditional Womanhood," pro-abortion speak outs, and disrupting abortion legislation meetings
She was a schizophrenic

Broadly speaking, they have in common:

- Influenced by Freud
- Believed sexual “repression” was bad.
- Sexual “taboos” were harmful to individuals and society.
- Had other objectives in wanting to deconstruct the family.
- Believed that children should be allowed to have sex without shame or apology.

Topics covered:

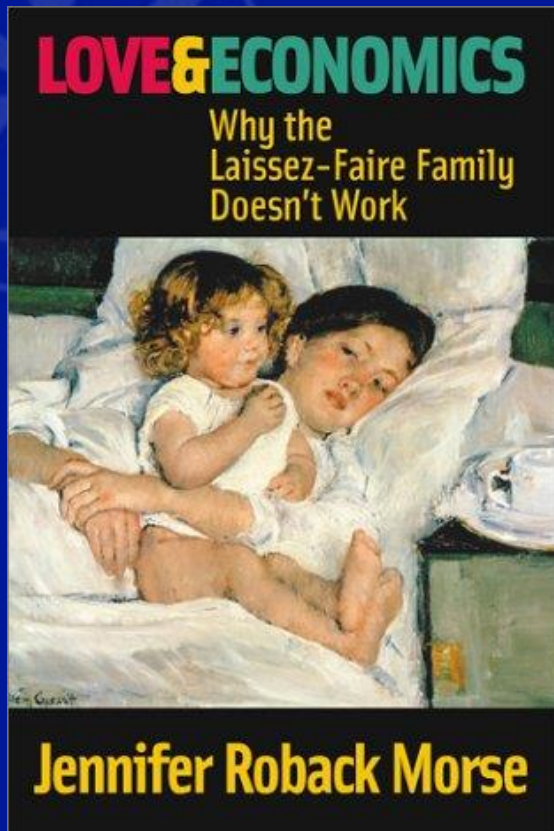

- 1) Pedophilia is currently pervasive among Global Elites
- 2) The deconstruction of the family was central to other political objectives, apart from the Sexual Revolution itself.
- 3) Early proponents of the Sexual Revolution advocated for children to have active sex lives.
- 4) The ideology of the early Sexual Revolutionaries required them to redefine childhood.

The problem with abolishing taboos:

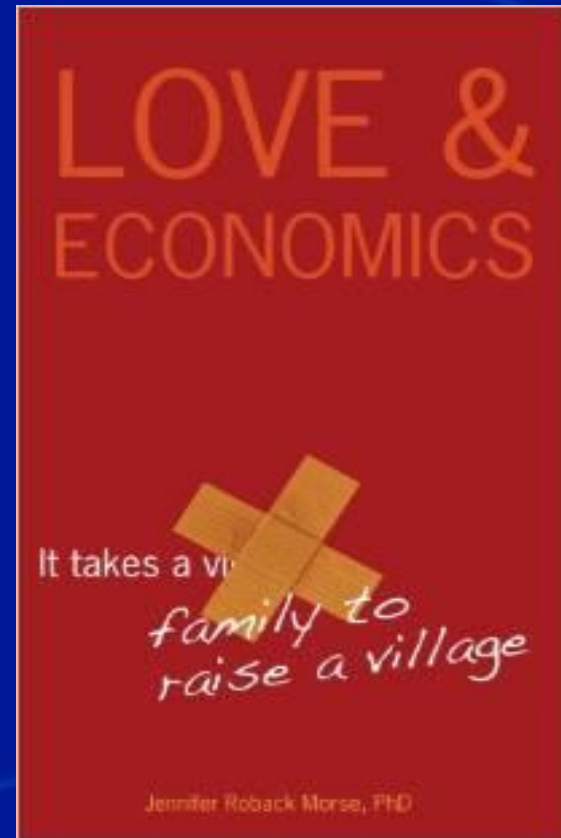

- To make it work, they had to redefine childhood.
- Recall the Ruth Institute's dream:
 - *that every child be welcomed into a loving home with their own mother and father married to each other.*
 - Identity rights
 - Relational rights

Love and Economics in 2001

■ My chief social concern:

- Women feel ok about starting families and devoting their time to their families.

■ My chief policy concerns:

- Unmarried parenthood
- Divorce
- Inappropriate welfare state rules
- Too much day care

Core Truth #1: Children Need Their Parents

Our vision of childhood is not the same as the Revolutionary view:

- If adults have sex without taboos, children will not have permanent access to both parents.
- They will not necessarily know the identity of their parents.
- We can't allow ourselves to believe that child well-being depends on the stability of the parent-child bond.

■ **“Kids are Resilient.”**

Redefining parenthood and childhood:

- The parents are no longer the protectors of children, but potential abusers.
- The parents do not know their children better than anyone else. The “experts” know the child better than the parents.
- The parents do not have the child’s best interests at heart. The experts and the State do.
- Children need to have sex without shame, apology or hindrances.

Problems

- Setting the child up for actual pedophiles, who really do not have the child's interests at heart.
- The parents actually do know the child better than anyone else.
- Sets up a “race to the bottom” in which less and less is asked of the parents, more and more self-indulgence is permitted and encouraged.

The kids aren't ok.
Moira Greyland Peat's testimony:

- I've talked to numerous survivors of childhood sexual abuse. I've never heard one who said, "It was ok. All the adults said it was ok, so it didn't bother me."
- Suicide
- Gaslighting by adults who say it is all ok.

SURVIVORS SUMMIT

Moira Greyland, raised by two world-famous sexual revolutionaries, shares "Why Christians Promote Chastity."

You are part of something big and beautiful:
the movement to reclaim society, defend the
family and build a civilization of love!

Why bring up all these other groups?

- Not making excuses for sexual abuse within the Catholic Church.
- Will any of the other organizations do anything about it?

Our illiterate foster child:

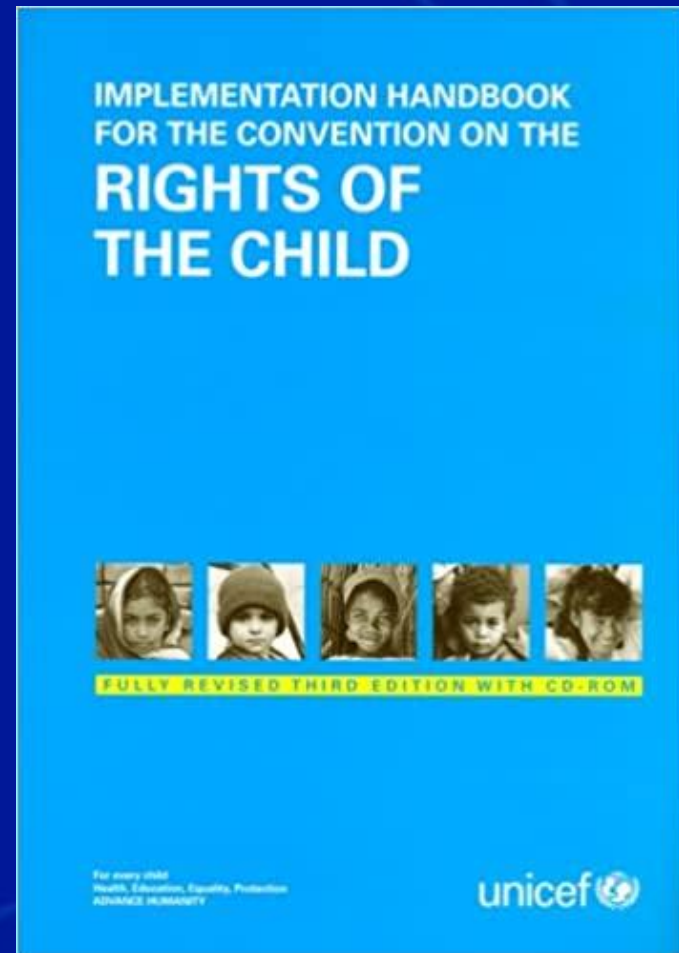

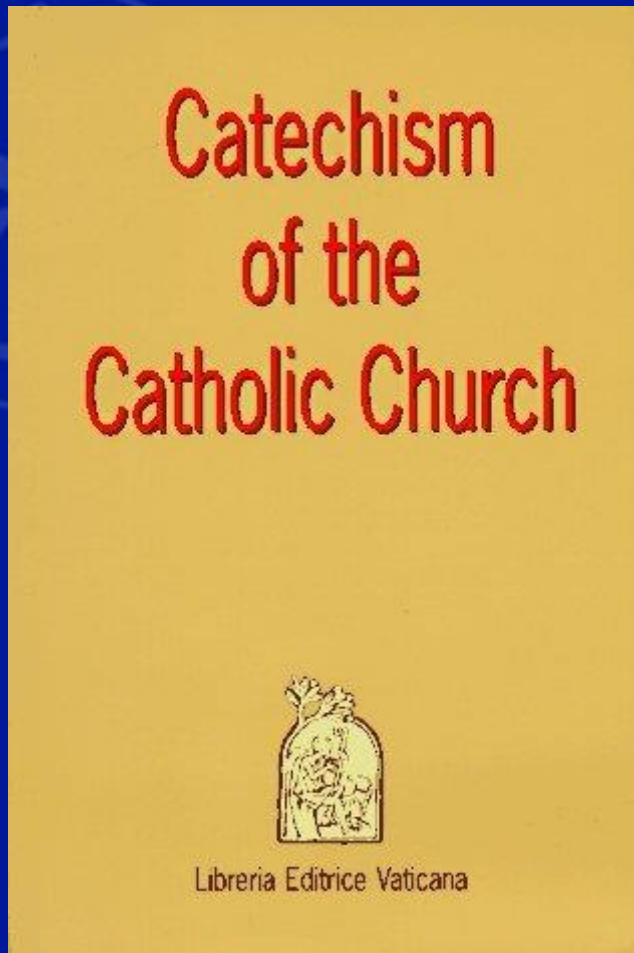

- I knew he could do it.

- I knew our family wouldn't give up until he succeeded.

None of the other corrupted organizations has:

- A coherent theory to counteract the Sexual Revolutionary ideology
- A history of practices that could be helpful, if implemented.
- A body of people who love it enough to reform it.
- If the scourge of child sexual abuse is going to end, people of faith will be the ones to do it.

Take your choice:

We have no right to leave the Church. We have an obligation to defend the Deposit of Faith.
